Infinity ECM platform – Main advantages

➢ **Out of the box Cloud or On-Premise (local) 20 in 1 Business Management Software.**

➢ Multifunctional and fully modular web solution with 20 sub-systems & 200+ modules.

➢ **Consolidates, optimizes, reduces (number & cost) of company software infrastructure.**

➢ Multilingual (16+ languages) & globally available over Cloud or official local partners.

➢ **Supports, improve & extend more than 20 business processes in every organization.**

➢ A fully responsive software solution (easy to use on desktop, tablet and mobile devices).

➢ **Easy integrations & extensions for different software products (ERP, HRM, PLM, WMS).**

➢ Different platform versions are suitable for small (Cloud), middle and big organizations.

➢ **Platform Solutions: ECM/CSP, CRM, DMS, RMS, BPM, CMS, ITSM, EAM, KMS, GRC, PM.**

➢ Flexible enterprise architecture based on Web API services and plug-in management.

➢ **Multi-org & Multi-company support (one system for many group-related companies).**

➢ Up to 30% increase in work productivity (better task management, collaboration, and work records, verifications & document approvals, digitization of documents & templates, portals, easy online availability).

➢ **Up to 30% savings on gross2 salaries of employees who use the Infinity ECM platform at day work job.**

➢ Microsoft based solution (On-prem requires MS Win App. Server, MS SQL Express, no extra MS CAL licenses).

➢ **Fast and easy digital process transformation (fast 1-3 months implementation and simple API integration).**
